THE SHEPHERD'S FLOCK

In Christian art, the earliest depictions of Jesus Christ were not of his crucifixion or of his resurrection. The first known renderings of Jesus show him as the Good Shepherd, the image put before us in today's readings. In the Gospel passage Jesus reveals that he is the shepherd and his followers are his "flock."

In the first and second readings, we are told more about the flock. The passage from Acts assures us that both Jews and Gentiles are called to follow Jesus. It is faith, not birthright, that makes us part of the company of believers. In the passage from the book of Revelation we learn that the flock that follows this Lamb of God will also be washed in his blood. They will endure a time of trial before they enjoy eternal life. Be assured of the promise, we are told, but know there is a price to be paid.

Dear Fr. Aidan & St. Columba Family,

It's difficult to convey how grateful all of us are at St. Michael Church for the gift of your unused Crucifix. With our building approaching its 100th anniversary, it will greatly add to our efforts to restore and beautify our worship space.

We've just mounted it on the wall in what will surely become a favorite shrine in our church. It will be a constant reminder for all of us to keep the people of St. Columba in our prayers.

From your brothers and sisters at St. Michael Parish

Fr. Van Dinh
