THIS LITTLE LIGHT OF MINE

As children we sang the lively song This Little Light of Mine. The words, of course, are based on today's Gospel, in which we are called as disciples to be salt and light for the world. Children are uninhibited about sharing their faith. It's only when we grow older that we prefer to hide our light under a bushel basket because our culture tends not to emphasize discipleship. The message in this week's readings is clear: in order to give glory to God through our discipleship, we must show the light of Christ in our words and deeds. Not an easy thing for inhibited adults. Often we may think of salt and light in terms of what we do for others, but it can be just as important not to do something, such as getting angry with the stranger on the road, or telling an offensive joke.
