

## SCC CHOIR Membership Drive

LIFT EVERY VOICE, SING AND JOIN THE CHOIR - Do you love to sing? Do you want to learn how to sing better? Do you love the choir and Music Ministry at St. Columba? Has God been tugging at your coat tail, or troubling your heart about becoming more involved in the ministry of music at our church? If your answer is yes to any of these questions now is the time to JOIN THE ST. COLUMBA CHOIR.

During the month of September, Saint Columba will be conducting a Choir Membership Drive, not just to increase our numbers, but to welcome others who love to praise God through song, to join us in this central and important ministry of our church. If you would like to join the choir or find out more about how you may share your service as a musician, see one of the choir members who will be stationed at a table in the front and in the rear entrances of the church, after both Sunday masses throughout the month of September. We welcome you to join the choir, to be involved in the music ministry on Saturdays and Sundays, to be a cantor, or to bring your musical instrument to the church and help us develop a small band. There is some talk about organizing an ensemble at the 8:00am Mass. If the Holy Spirit is speaking to you through this announcement, please don't let this opportunity to lift up your voice and sing pass you by. Your time has come! See you at the choir recruitment table!

D. Mark Wilson  
Director of Music
